Alumni from Wagner and Wurtsmith High Schools Set to Celebrate!

The Year 2000 is a hallmark reunion year for many alumni of Wagner and Wurtsmith High Schools at Clark AB, Philippines. So, we're planning the Ultimate High School Reunion.

Welcome to the Reunion 2000 Update. This is the first of several newsletters we'll be sending during the first months of the year 2000. Our goal is to spread the news, quickly, about our plans for the Ultimate High School Reunion. To stay fully informed, we recommend visiting the Wagner/Wurtsmith High Online Alumni Web site at <http://www.whoa.org>

If you have stayed in touch with any fellow classmates from Clark, please pass this information along!

For early arrivals, we have informal class and era parties on Wednesday night and Thursday. We also plan memorabilia displays, and hospitality suite socials. Discounted tours are available as well as golf and water sports.

Friday we continue our hospitality displays and socials. We plan to organize several sporting events and a barbecue

The Friday night Mabuhay Party will be our traditional get-together. We plan to have a Wagner talent show featuring three bands, several individual acts, and a DJ.

Saturday we continue our socials, tours, and free time.

Our reunion dinner on Saturday night includes a nice choice of entrees, followed by several ceremonies, awards, and some cool surprises.

A great after dinner concert by Sha Na Na is planned with music and dancing until closing.

Sunday morning we plan to have a nice farewell brunch to close out San Diego 2000.

For those who will be continuing on to the Philippines we will assemble at the hotel for afternoon transportation to LAX.
