

The Memorial Plaque Committee is announcing a Contest for the Plaque that we plan on displaying in the Clark Museum. For all of you who do not already know, a Committee has been set up for the purpose of presenting a Memorial Plaque to the Clark Museum in memory of, and dedicated to all of the schools and faculty during the history of CAB. We are attempting to have this project completed in time for a dedication ceremony during the 'Return to Clark' reunion in November. We most heartily welcome suggestions from everyone interested in this project in the following areas: (send replies directly to Dan <danny3447@juno.com>)

1) Material: We would like feedback as to the material you think the plaque should be made out of. We currently are looking into Philippine Mahogany (carved), Marble, and Bronze.

2) Plaque Design: We are offering a \$25.00 prize for the design selected by the Memorial Committee. Your name will also be placed on the plaque in recognition.

3) Wording/inscription: We are offering a \$25.00 prize to the person submitting the best wording/inscription that conveys the feelings of so many of us about our times at Clark and attending school(s) there. We would suggest that this not be so much a dedication to Clark but rather to the school(s). Your name will be placed on the plaque in recognition.

4) For help with your design, the size of this plaque has pretty much been established as 2ft high by 3ft long. While a specific location has not been established, the Clark Museum indicates that space for hanging this plaque, along with a glass case for displaying other memorabilia, may be available. Details on location are still be worked on.

5.) Donations of memorabilia for possible display in the museum at Clark are to be sent to Dan. Keep in mind, we can't guarantee the memorabilia's return or be held responsible for items donated to the museum at Clark or another location that may be chosen. We are also accepting money donations to fund this project. Any amount you wish to send will be most appreciated! Please send donations made out to Dan at:

D.W. Theobald
6 Hitching Post Lane
Casselberry, FL 32707-4908

Please read the following rules very carefully. Rule # 13 is very important!!!

General Contest Rules: Applicable to both

Memorial Plaque Project and Contest

contests for drawings and inscriptions.

1.) We will accept entries for both contests beginning now and running through May 30th at 12 midnight EST.

2.) Keep the spirit of the drawing/inscription within the parameters of representing the most students/faculty of DoDDS Schools at CAB. No foul language or pictures will be considered.

3.) Submissions of inscriptions or drawings found in any Wurtsmith/Wagner or DoDDS CAB school yearbooks, school newspapers or any scanned material found via the WHOA Web Site are acceptable. The first person to submit it, if duplicates are received, will get credit for the idea. (ie: The 1985 yearbook contains a drawing of a Falcon in flight within the Bust of a Falcon that was drawn by a student, and it has been submitted by Kylee '85.)

4.) Votes will be tabulated by the Memorial Committee. Memorial Committee Members will have right to use alternate 2nd or 3rd choices, if the entry with the most votes is not able to be made by an artist or in medium chosen for the plaque.

5.) If we receive an overwhelming number of entries, Memorial Plaque committee members will preview the entries and narrow the entries down to the best ones and voting will commence on those chosen by the committee.

6.) Decisions of committee members are final.

7.) If you are not a member of the Mem. List...(and we suggest all who are interested in this project to subscribe to that list)...please send all suggestions for the wording/inscription to Dan directly and he will forward it to the Mem. List. <danny3447@juno.com>

8.) If you are a member of the Memorial List, you may submit suggestions for the wording/inscription directly to that list...NOTE: Wording only!!! If you want to become a member tell Dan and he will get you subscribed. <danny3447@juno.com>

9.) Inscription/s may be in the form of any thoughts or phrases, as long as it is authored/

written by the person/s who submit it. (ie: poems/words written and previously published that would require us to ask permission of the author/publisher are not acceptable unless it falls under General Contest Rule #3.)

10.) Drawings must be original works of art. (ie: artwork that was/is published that would require us to ask permission of the artist are not acceptable unless it falls under General Contest Rule #3).

11.) Drawings should be submitted in black and white, unless they fall under General Contest Rule # 3 and are already in color.

12.) Drawings must be scanned and sent as an attachment directly to Dan <danny3447@juno.com>. If you wish to submit sketches, photos, drawings, etc. for the design contest, do not, repeat, DO NOT send them to the Memorial List, even if you are a member of that list! Send them to Dan directly and Dan will forward them to be posted on a page that John is setting up.

13.) Any person who sends attachments to ANY list group will be flogged and expelled from said list group. Attachments of drawings will be posted on a web page for everyone to view after Plaque Memorial Committee reviews the drawing. See rule # 12 as to who to send attachments to.

14.) We will post a link to the page John is setting up showing all suggestions for design and wording for all lists to view. The final selection of both the Plaque design and the wording will be made by the members of the Memorial List and its Committee.

We are also accepting money donations to fund this project. Any amount you wish to send will be most appreciated! Please send donations made out to Dan at:

D.W. Theobald
6 Hitching Post Lane
Casselberry, FL 32707-4908

A monthly accounting of all money rec'd will be posted after being verified by two other committee members. And a personal acknowledgement sent via WHOA and TC List.

We again invite anyone interested in being a part of this Historic Project to please do so!!

Thank You!!
